Dear Colleagues,

We are happy to inform you that CTSS-IPB University Organized the 2nd ISTAKCOS. The Scientific Program will cover a wide range of subject areas and disciplines from the land to the sea concerning sustainability and complexity with a transdisciplinary approach.

The Covered Seminar Topics are as follows:

1. Landscape Management & Pollution
 2. Coastal zones & Marine Science
 3. Ecology, Biodiversity & Governance
 4. Global warming & climate change
- ...more

Please see Important date and More detail topics at ctss.ipb.ac.id
Registration of the participant: ipb.link/2ndistakcos

Publication: Selected paper will be published in IOP Conference Series: Earth and Environmental Science and Bioscience/Biological Journals.

The Best 10 Paper will receive publication grant*

The Graduate students will get free tickets for his/her supervisors and will get an assessment by the seminar moderator which can be claimed as "a graduate seminar".

*Terms and conditions apply
